

I remember, O Lord, that you have rescued me from my enslavement to sin and death, just as you once delivered your people from Egypt; I remember, O Lord, how during difficult times you have protected me and provided, just as you once fed your people in the wilderness; and I remember, O Lord, that you have brought me into good situations and blessed me, just as you once lead your people into a land of abundance; today I remember, O Lord. Amen.
